

NIGERIA

Project No: 2017-NGAFINAN-393

Project Title: Training and Guidelines on SUKUK issuance

Project Owner: Ministry of Finance of Nigeria

Project Partners: Togo and Gambia

Cooperation Area: Financial Cooperation

Implementation Year: 2018

Project Purpose: One of the expected outcomes of the COMCEC Strategy in financial cooperation is to enhance diversification and variety of financial products. In line with this, the project was designed to promote SUKUK as an alternative capital market instrument in the OIC member countries.

Project Activities:

- Training on SUKUK Structuration and Management
- Workshop for discussing effective issuance of the SUKUK
