

## **NIGERIA**

### **Project No: 2019-NGATRANS-771**

**Project Title:** Monitoring Lagos-Abidjan Transport Corridor

**Project Owner:** Federal Ministry of Transport

**Project Partners:** Benin, Togo and the Gambia

**Cooperation Area:** Transport and Communications

**Implementation Year:** 2020

**Project Purpose:** "Establishing a dedicated corridor secretariat/coordination unit for facilitating corridor governance through ensuring permanent communication and coordination among the relevant countries." is one of the policy recommendations adopted in the 34<sup>th</sup> COMCEC Ministerial Session. In line with this policy recommendation, this project aims at facilitating movement of people and goods and improve governance along the corridor.

**Project Activities:**

- Training of border operatives in Seme -Krake near Cotonou, drivers and community representatives
- Conference on challenges that impede economic growth, trade facilitation and regional integration
